**Imaging Specialists of Charleston Receives American College of Radiology
Magnetic Resonance Imaging (MRI) Accreditation**

Mount Pleasant, SC Imaging Specialists of Charleston has been awarded a three-year term of accreditation in MRI by the American College of Radiology (ACR).

The ACR, headquartered in Reston, VA, awards accreditation to facilities for the achievement of high practice standards after a rigorous peer-review process. Evaluations are conducted by board-certified physicians and medical physicists who are experts in the field. They assess the qualifications of the personnel and the adequacy of facility equipment. The surveyors report their findings to the ACR's Committee on Accreditation, which subsequently provides the practice with a comprehensive report.

The ACR is a national organization serving more than 32,000 diagnostic and interventional radiologists, radiation oncologists, and nuclear medicine and medical physicists with programs focusing on the practice of medical imaging and radiation oncology and the delivery of comprehensive health care services.

Imaging Specialists of Charleston is a 14,500 square foot freestanding imaging center located in Mount Pleasant. Highly trained, board certified Radiologists combine over thirty years of specialized experience in radiological services with the most advanced technology available.
